Humanities and African &
African-American Studies,
University of Michigan-
Dearborn.

Cultural performances including
The Renaissance High School
Choral Group and others...

"It really boils down to this: that all life is
interrelated. We are all caught in an
inescapable network of mutuality, tied
into a single garment of destiny. Whatever
affects one directly, affects all indirectly."
~Dr. Martin Luther King, Jr.

In the spirit of Dr. King's call to service, we ask
everyone to bring something to donate to Central
United Methodist Church's program for the
homeless. They are in need of warm winter wear,
particularly hats, scarves and gloves. The
program can also use donations of coffee and art
supplies. Thank you for reaching out to help our
less fortunate brothers and sisters.

LABOR DONATED
